HIFANCY CLEAR 80000 Disposable Vape

Product Specification Sheet

Product Overview

HIFANCY CLEAR 80000 Disposable Vape is a DTL big-cloud device rated for 80,000 puffs. A 0.6 ohm mesh coil, adjustable airflow and two output modes (Sport 50W / ECO 30W) let the user change how the draw behaves, while a 650mAh Type-C battery, LCD status screen and dynamic RGB display complete the package.

Key Features

- 80,000-puff capacity with a 0.6 ohm mesh coil
- Sport mode 50W and ECO mode 30W for selectable output
- Adjustable airflow for a tighter or more open draw
- LCD screen for e-liquid and battery level, plus dynamic RGB screen
- 650mAh Type-C rechargeable battery
